Cured His RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no loss of time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to Mr. Eugene M. Puller, Carpenter, 1147 M Street, N. W., Washington, D. C. I will send out this notice and show it to any other who is ruptured, so you may save a life-long agony and the misery of rupture and the worry and danger of an operation.

Rheumatism

A Home Cure Given by One Who Had It
In the spring of 1913 I was attacked by muscular rheumatism. I suffered as only those who have it know, for over three years. I tried remedies after remedies, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it, and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.

MERCHANT MARINE BILL IS PASSED

By a vote of 238 to 8 the House last night passed the merchant marine reorganization bill virtually without amendment. It now goes to the Senate.
The bill provides for the sale of the larger vessels built and owned by the Government to American citizens, with the restriction that ownership shall not pass into foreign hands. Only the smaller craft not needed to round out an efficient merchant fleet may be disposed of to foreigners. The Shipping Board is authorized to continue operations of the vessels until sold. All war legislation dealing with the development of a merchant marine and laws granting unusual powers to the President are repealed.
